SUMMER READING PROGRAM

SEEK TREASURE IN A GOOD BOOK

Dear Parents & Guardians.

Welcome to A.M. Chaffee School's Summer Reading Program! Summer is a great time to relax and have fun! Reading during the summer helps students maintain and improve the comprehension and vocabulary skills that they have learned throughout the school year and prepares them for Grade 1...

We have named this year's program "Seek Treasure in a Good Book" so that we can continue our Pirate reading theme through the summer! Thank you for your unbelievable support during our very successful school-wide Pirate Pages program, now we ask to carry that momentum into the summer as well!

Student "to do" list:

- Read or listen (lower grades) to at least 2 non-fiction books.
- Read or listen (lower grades) to at least 2 fiction books.
- Complete a simple fiction book report (see attached) for one (1) fiction book you read.

School media specialists and your child's teacher, as well as the Oxford Public Children's Librarian, are eager to suggest fiction and non-fiction titles. Books may be found in the library, yard sales, book stores, shared between friends, etc.

Where to get the summer reading package?:

Your summer reading packet is attached to this letter, but it can also be found on the Oxford Public Schools website, www.oxps.org or at the Oxford Free Public Library.

How to complete your summer reading:

- First, **READ! READ! READ!**
- Write down all the books you have read on the "Books I Read this Summer" page.
- Complete your Fiction Book report for one of the books you read.
- Turn in all of your pages next year in First Grade!!!

HAVE FUN!!!! HAVE A GREAT SUMMER!! SEE YOU IN FIRST GRADE!!

PIRATE'S TREASURE
